

PRADIPTA KHAN

Aspiring Data Analyst

+91-9883170559 pradiptakhan005@gmail.com www.reallygreatsite.com

ABOUT ME

Aspiring Data Analyst with a strong foundation in data analysis, statistics, and visualization. Skilled in Python, SQL, and Excel, with hands-on experience from projects and internships. Eager to apply analytical skills to support data-driven decisions.

EDUCATION

2022-2026

NSHM Knowledge
Campus,Durgapur

Bachelor Of Technolodgy in CSE(Data Sceience)

Maulana Abul Kalam Azad University of Technology

2020 & 2022

Palaspai Anchal Ramkrishna
VidyaMandir(HS)

Secondary & Higher Secondary Education

West Bengal Board Of Secondary Education with 84.43%

West Bengal Council Of Higher Secondary Education with 92.6%

INTERNSHIPS & TRAINING

August-November,2024

ZIDIO DEVELOPMENT
Company

Data Science Virtual Internship & Training (3 months)

Completed hands-on training in data analysis, machine learning, and project development using real-world datasets.

Mar-May ,2024

Sep-Oct,2023

Data Science Intern(Virtual)

Next24Tech (2 month) | CodesOnBytes (1 month)

Worked on data analysis, visualization, and machine learning tasks using Python

PROJECT

Plotiva – No-Code Data Visualization and Analysis Tool

A Streamlit web app that enables users to upload datasets, generate interactive charts, perform advanced machine learning predictions, and save dashboards without writing code.

Try analysis with Plotiva: <https://plotiva-data-visualization.streamlit.app/>

SKILLS

- MS Excel
- C Programming
- SQL
- Python
- PowerBI
- Tableau
- Data Analysis
- Machine Learning

CERTIFICATIONS & ACHIVEMENTS

- TATA Data Visualisation: Empowering Business with Effective Insights Job Simulation on Forage - August 2024
- Effective Writing, Issued By IIT ROORKE
- Problem Solving Through Programming In C, Issued By IIT KGP
